- Species available in Plain White Oak, 1/4 Sawn White Oak, and Walnut
- Stains available in Polished Amber, Golden Topaz, Smokey Quartz, Black Onyx, Grey Moonstone, and Pickled Pearl

Specifications

- 9 ply Baltic-birch substrate with 4 mm wear layer
- Rubio Monocoat's Hard Oil Plus 2C Finish no VOC (option to order unfinished)
- Glue-down installation
- 6-8 week lead time

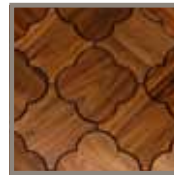

Product Usage Recommendations

- Suitable for residential and commercial flooring and vertical surfaces
- Not recommended for areas with water exposure such as the interiors of baths and showers
- Not suitable for outdoor applications

Installation and Maintenance

- Allow approximately 5-7 days of acclimation
- Loctite Adhesive or Bostik's Best Adhesive recommended
- Tiles can be cut with a quality chop saw or other finish saw
- Vacuum, dust, or dry mop and brush between chamfered edges. Visit Rubio Monocoat's website for finish maintenance instructions & products
- Maintain humidity level between 35-65%
- Inspect order upon receiving; product is non-returnable once installed

ENIGMA is a high-end engineered product designed and produced to create a truly unique and custom wood surfacing option. The line has 12 patterns, ranging from a classic tile shape to the fabulously ornamental, and is offered in 3 wood species, and 6 different stain options for you to design your customized look. Consider using one of our 12 patterns as a wall to wall flooring installation, or creating an inset rug pattern in a traditional plank floor. Not only amazing for flooring but equally stunning for vertical wall applications. Our product is made in Nashville, Tennessee and can be customized to meet client's specific needs.

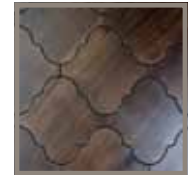

Grover
7.6" x 7.6"
